

# Tugby Church of England Primary School

Primary school places available

## Welcome to Tugby School

The children, staff and governors of Tugby Church of England Primary School offer you a very warm welcome.

Our school prides itself on its friendly family atmosphere and high academic teaching standards.

Our children experience a broad and balanced curriculum, which enables them to thrive academically, socially, creatively, and physically.

Part of RISE Academy Trust, the school is set in a beautiful village location, just off the A47, little more than a ten minute drive from both Uppingham and Thurnby.

We take great pride in the educational experience we offer, the values we foster and the standards our children achieve. All possible due to the inclusive family atmosphere of the school, our strong links with the community, the support of our governors, our parent's association, and above all, the expertise and commitment of our staff team.

Church of England School

Part of RISE Academy Trust
