Q10: Would you recommend your primary school to other families?

"I truly believe most children would not be able to find a better environment than Tugby in which to learn and grow. The wide range of facilities and experiences on offer is excellent."

Year 2 parent

"The size of the school means that all the children are known by all the staff and that the children all know and play with each other. The school is embedded in the community and the village. Parents are able to have close contact with staff and work together to support pupils' learning."

Year 1 & Year 5 parent

"It is a genuinely wonderful school with friendly and caring staff and supportive parents a really community you will be proud of be part of"
