
Welcome

Thank you for taking the time to attend this meeting! 😊₁

Our new phonics approach

Sounds~Write:
a linguistic phonics programme

www.sounds-write.co.uk

Thank you for taking the time to
attend this meeting!

To become fluent readers and spellers children need to know:

1: Letters are used to spell individual sounds (one at a time, from left to right across the page).

**2: Each sound may be spelled by
one or more letters.**

cat ship night weight

3: Sounds may be written in more than one way:

play, rain, great, gate

4: Many spellings represent more than one sound.

the spelling < ea > can represent the sounds:

seat, head, break

What **skills** need to be practised and perfected to become a fluent reader?

- **Segmenting**
- **Blending**
- **Phoneme manipulation**

You also need **code knowledge**: how to spell the sounds in the language.

Initial code

Extended code

Thank you for taking the time to attend
this meeting!

Sounds-Write is all about focusing on not having to 're-teach' something.

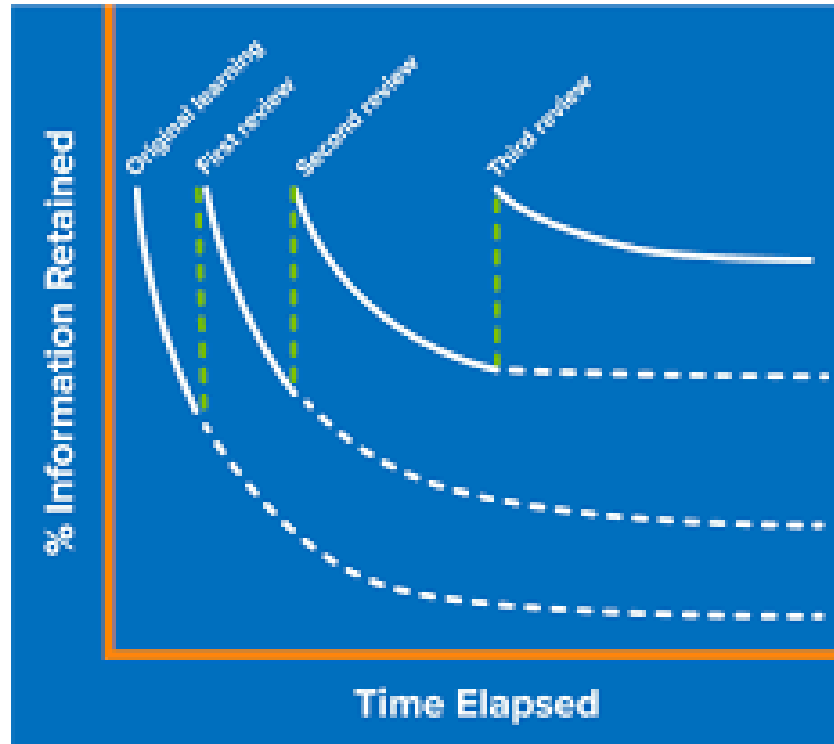

Key information...

- Letters spell sounds
- Pacific ocean- the same letter can make a different sound
- NO tricky words
- Split spellings
- No actions/pictures linked to each sound
- No silent letters
- No 'curly C' and 'Kicking K'
- Children should always say the sound as they write them.

Books

- Reading books that are linked to a unit before in EYFS and Year 1.

For example, If a child is being taught unit 4 in the initial code, then they will be reading a book with unit 2 or 3 sounds in to consolidate their learning.

The screenshot shows the UdeMy website interface. At the top, there's a navigation bar with the UdeMy logo, a search bar, and links for 'Become an Instructor', 'Login', and 'Sign Up'. Below this is a category menu with options like 'Personal Development', 'Development', 'Business', 'IT & Software', 'Office Productivity', 'Design', 'Marketing', 'Lifestyle', and 'Photography'. The main content area features the course title 'Help your child to read and write' in large white text on a dark background. Below the title, it says 'Sounds-Write Initial Code, Units 1-7' and includes a 'NEW' badge, a 4.5-star rating from 92 reviews, and '1,285 students enrolled'. It also lists the creator 'John Walker' and the last update date '8/2017'. A video player shows two children reading, with a 'Preview This Course' button overlaid. To the right, a 'Free' badge is above a green 'Enroll Now' button. Below the button, an 'Includes:' section lists: '1 hour on-demand video', '8 Supplemental Resources', 'Full lifetime access', 'Access on mobile and TV', and 'Certificate of Completion'. A 'Wishlist' icon is visible in the top right corner of the course area.

Help your child to read and write

Sounds-Write Initial Code, Units 1-7

Includes:

- 1 hour on-demand video
- 8 Supplemental Resources
- Full lifetime access
- Access on mobile and TV
- Certificate of Completion

What Will I Learn?

- ✓ help your child take their first steps in reading and spelling;
- ✓ understand how to correct your child when they make a mistake in their reading or writing;
- ✓ understand how to help your child build, write and read words;
- ✓ have a basic understanding of how phonics works.
