Director of Education Feedback

We were pleased to welcome Fran Ward, our Deputy Director of Education, Teaching and Learning, in to school this week. She highly praised the children's behaviour both in class and around school, and attitudes to learning. She was so impressed with the children's knowledge of the subjects they have been studying both now and from previous learning. Excellent examples of teaching were seen throughout the school which will be shared with other schools in RISE during future CPD. Well done Tugby!

Attendance – Late Arrival

LATE ARRIVAL AT SCHOOL

When your child arrives late at school, he/she misses the teacher's instructions and the induction to the lesson.

Your child may also feel embarrassed at having to enter the classroom late.

Minutes late per day during the school year	Equals days worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

Frequent lateness can add up to a considerable amount of learning lost and can seriously disadvantage your child.

School begins at 8:50am, with registers taken at 9:00am.

Please help your child to be punctual
