Friday Flyer

28/02/2025

This week at Tugby...

1. The second expedition started and discovered how to build stronger structures.

2. The children arrived, described their ideas and discussed the project in detail.

3. We tracked, skinned and sewed as we made the dog of the mountain.

4. The parents helped, protected and guided the village through dangerous forces.

5. The author imagined, wrote and edited a story about an early adventure.

Assessment

The first flew landed and flew very fast.

The first landed on a branch and flew very quickly.

The first flew, stopped and landed.

Dates For Your Diary

Wednesday 5th March – Parents Evening

Thursday 6th March – Parents Evening

Thursday 6th March – (World Book Day) Reading Breakfast 9am

World Book Day Thursday 6th March 2025

Thursday 6th March is World Book Day, a wonderful opportunity for our children to celebrate their love of reading and storytelling!

On this special day, we encourage the children to come dressed as their favourite book character. (Please make sure the character is from a book!) We understand that some children may prefer to wear their school uniform, and that is completely fine too. If the weather is good, we will be running an outdoor activity so your child may wish to bring a pair of wellies or old shoes to change in to.

Throughout the day, your child will participate in a variety of engaging activities that aim to inspire a love for reading. We will begin the day with a 'Reading Breakfast' in classes from 9 to 9:30am. We would love you to join us for this.

In preparation for the day: if your child has a certain book they adore, perhaps you could encourage them to share what makes it special during the classroom activities. They could make a presentation on their favourite book or author to share or a poster to put up in the school library.

Thank you for your continued support in fostering a passionate reading culture at our school.

'I have come that they may have life and have it to the full.' John 10:10

Warning Zone Volunteers Needed – Can You Help?

Warning Zone is an education charity, delivering safety lessons to Year 6 children at their interactive life skills centre in Leicester. The children visit on a school trip and have a really informative day learning how to keep themselves safe both online and of-line. Warning Zone has two different safety areas and the class children are split into small groups and experience the day with a volunteer guide.

Warning Zone could not exist without volunteers and are always on the look-out for new people to join the team. The role is very flexible, fits in with school drop off and pick up times, term time only, uniform is provided and full training given. It's a great way to meet new people, utilise your existing skills, build some new ones and enhance your CV or maybe you know someone who is newly retired or someone who has spare time and is looking for something else to do. It's also a great way to keep up with current safety advice, especially in the ever-changing online world.

If you would like more information please email volunteer@warningzone.org.uk or call 0116 262 9739 or visit their website to find out more www.warningzone.org.uk
